A Proud Supporter of the Innisfil Ball Hockey Club

Does Your Equipment Stink?

The rotten smell often associated with sports equipment is caused by a combination of sweat, mucus, blood, dirt and other substances such as sports drinks that have soaked into the equipment.

- Helmet
- Neck Protector
- Shoulder Pads
- Elbow Pads
- Gloves
- Jersey
- Socks
- Jock/Jill
- Socks
- Pants
- Shin Guards
- Goalie pads

And much more...call for more information and pricing.

The Winmar Solution....Esporta Wash Systems.

At Winmar we use the world leader in sports equipment cleaning—The Esporta Wash Systems. The Esporta Wash System utilizes specially formulated detergents and disinfectants to work deep inside the equipment to remove the contaminants that cause health threats to players. This process eliminates odours and disinfects up to 99.9997% of all contaminants.

Official Sports Gear Cleaner
